

A girl in her 20's is looking for a female roommate. She currently lives in a townhome in Fairport, within walking distance to the Perinton Wegmans, and would like someone to move in with her. She enjoys her job at Wegmans, singing in her church choir and gymnastics. She is very close with her family and enjoys spending time with them. She does not need 24 hour support and would prefer her roommate did not need that kind of support as well. If you know someone who could be a good fit, please let me know!

Thanks!
