

Hi Katie,

I have another roommate wanted ad I had passed along to Heritage Care Coordinators/Brokers. Would you mind passing it along to all brokers/FI's? Thanks so much!

A guy in his early 30's is looking for a roommate- preferably a male. He lives in a really nice 2 bedroom condo in Penfield recently purchased by his parents. It is walking distance to the Penfield Wegmans/Target Plaza. He works at Wegmans and is very independent. He has staff a few times a week and would prefer someone who did not need staff support every night. He is close with his family and enjoys spending time with them. He is very friendly and loves being involved in activities, playing sports and video games. If you know someone who is looking, and feel that they would be a good fit, please let me know!
