

Housemate Wanted!

Hi, my name is Andrew. I'm 33 years old and live in a nice home in Brighton. I'm looking for a friendly, male housemate who has similar interests who'd like to share my home with me.

Location: My ranch home is in a convenient safe location with sidewalks, near Pittsford Plaza, restaurants, shopping, movie theatres, the JCC and several churches. It's also within walking distance to a bus line and near the expressway. It is equipped with an alarm system.

Description: As a housemate you'd have your own bedroom, bathroom, living room with use of a first-floor laundry, large kitchen, basement and one car garage. I have a yard with a large outdoor deck in the back.

Details: The lease is for one year that can be renewed if we're a good match. My parents are the landlords and maintain my home along with me. Rent is to be determined. There may be a housing subsidy available through your Self-Directed budget. Rent is usually a combination of your housing subsidy, SSI/SSD and/or wages. I have staff support in the afternoons/evenings and on Saturdays. I would be willing to share staff if the same Self-Direction FI. We are flexible about the staffing that you might want.

Who May Be Interested:

- Someone looking for more independence
- Someone wanting to move to a new location in a desirable neighborhood that's closer to work or community activities they enjoy
- Someone who's moving out of their parent's home and needs an opportunity to work on transition/daily living skills
- Someone who doesn't need overnight staff but supports are close by and could be reached easily if needed. My parents are 20 minutes away. Paid neighbor could be an option etc.

My background: I grew up and went to school in Brighton. My family includes my Dad, Mom and sister. At 26, I moved into an apartment with supports and moved into my home at 30. I have staff that helps me with cooking, chores and transportation.

I have a part-time job in the community. Being as independent as possible is important to me. I'm Christian and celebrate the religious holidays and go to church on Sunday. My faith is also important.

My likes include reading, movies, exercise, eating out, music, traveling, baking, concerts, board games and decorating for holidays.
